Multi-Layered **Cyber Protection**.
24/7 Professional Support.
Zero Complexity.

ACRISURE ®
CYBER SERVICES

Our Security Blanket is a set-and-forget solution tailored for your business, combining powerful security technologies with fully managed 24/7 threat monitoring and response from our team of certified professionals to help keep your business safe.

~1/2
of all cyberattacks target Small-Medium Businesses (SMBs).

73%
of SMBs experienced a cyber attack in 2023.

350%
more social engineering attacks are experienced by SMBs than large businesses.
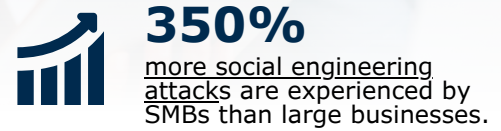

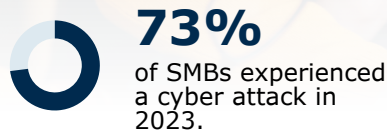

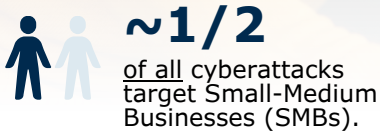

Why should it matter?

It's not just about protecting data—it's about helping to protect of what you've worked hard for. **The impact of a cyber breach extends beyond downtime; it can result in loss of customer trust, legal repercussions, and financial instability**. We help protect the heart of your business—your customers.

Our Impact in 2024

- **700,000+ malicious emails blocked** (including phishing and scams)
- **250+ Terabytes of customer data secured** (across Microsoft 365, Google, Salesforce, Azure, and more)
- **8,000+ devices actively monitored** for cyber threats (with ~3,700 threats detected and neutralized)
- **3,500+ security investigations** proactively conducted (identifying risks before they become breaches)

Your **Acrisure Advantage**

- ✓ **24/7 Monitoring & Support** by Certified Team of Professionals
- ✓ **Affordable, Complete or Custom** à la carte Solutions
- ✓ **Seamless Integration** with IT Teams & Systems
- ✓ Set-and-Forget **Simplicity**
- ✓ Help Achieve **Compliance & Peace of Mind**
